

Carcinoid NeuroEndocrine Tumour Society Canada  
2009 Walk for Carcinoid NeuroEndocrine Research

**Mission Statement**

**Building towards a cure for NeuroEndocrine Tumours and Cancers through Research, Education, Awareness and Support.**

July 2009

Dear Friends,

Carcinoid NeuroEndocrine cancers are rare cancers that often go undiagnosed for many years. CNETS Canada is looking for your support to help us raise **\$60,000.00** to support Carcinoid NeuroEndocrine Research through the Cancer Research Society. ([www.src-crs.ca](http://www.src-crs.ca))

**The Cancer Research Society will double CNETS Canada's contribution to \$120,000.00.**

We urgently need to do research to create better prospects for Carcinoid NeuroEndocrine patients. So I have decided to raise money by doing **Suzanne's Walk for Research**

**My personal goal is to raise \$2000.00 from my Walk**

On Sunday, October 4<sup>th</sup>, starting at 1:00 p.m. I will be walking along the Rideau River in Ottawa. My route will be along the Chapman Mills Conservation Trail. From one end and back, the distance is about 1.5 km. It is a dog friendly trail as long as you pick up after your pet. There is plenty of parking. If you would like to contribute on-line, you may do so at [www.cnetscanada.org](http://www.cnetscanada.org) by using the *Donate Now through Canada Helps* button on the upper left side of each page. You will be taken to our donation page where you will see a dedicated line for **Suzanne's Walk**. Tax receipts are provided instantly through Canada Helps. You can also donate by cheque to the address above. All contributions over \$10.00 are tax deductible. Official tax receipts for cheques written will be emailed or mailed.

**I have attached a pledge sheet if you would like to help raise funds for my Walk.**

Thank you. With your support, there is HOPE.

Suzanne Stinson  
Support Group Leader for Ottawa
